

Zone Dampers

Zone Damper Sets

A cost effective simple Zone Control System is possible using the following MILDT sets (which comprises of an extended motorised damper c/w duct thermostat and wall thermostat).

The duct thermostat signals whether the central plant is in heat or cool mode, the room thermostat will automatically operate the damper to heat the zone if plant in heat mode or cool the zone if plant in cool mode.

| Code | Size |
|----------|------|
| MILDT150 | 150 |
| MILDT200 | 200 |
| MILDT250 | 250 |
| MILDT300 | 300 |

For Kilargo Fire dampers see p133 - 133n
